

AKSHAY G

Front End Developer

ABOUT ME

Hello, My name is Akshay G, I'm a front-end developer who loves building user-friendly websites and web apps, enjoys writing documentation and loves helping people learn how to code.

EXPERIENCE

Sept 2021 -
Oct 2022

Front End Developer

at Accruon Technologies Pvt Ltd

- Managed website development projects from initial design through completion, responsive user interfaces, optimizing all cross-browser and multi-platform compatibility. Fixed bugs from existing websites and implemented enhancements that significantly improved web functionality and speed.
- Collaborating with a cross-functional team of product designers, project managers, front end, back end, testers, marketing teams and product management teams to build scalable, seamless and responsive user interfaces
- Working with third party libraries and frameworks.
- Worked in projects where Agile/Scrum Methodology was fully used
